INVITING TAYLOR TO SPEAK AT YOUR CHURCH?
LET'S MAKE A WEEKEND OUT OF IT!
HERE ARE EXAMPLES OF WHAT TAYLOR CAN BRING.
*MOST OF THEM ARE REAL.

BIO

Taylor comes with experience as a comedian, evangelist, school assembly speaker, author, pastor, juggler, and amateur dentist.

Born in Missouri, raised in Texas, and living in Kansas. For two years he lived in his van but not anymore. He has a house now.

Taylor's talent lies in skillfully guiding audiences through lighthearted and introspective moments, using laughter to foster an environment of vulnerability.

TRAINING

Thoughtful, entertaining, and interactive workshops. For pastors, volunteers, parents, or ANYBODY & EVERYBODY.

Possible trainings...

Creating a Culture of Confession

Practical steps to build a community where no one is left to suffer in silence.

Finding Stories Worth Sharing

Most people think they don't have any stories worth hearing. But most people are wrong. This fun, light hearted workshop gets everyone out of their shells and into each other's stories. To start relationships, make connections, and inspire small groups to go deeper.

Beyond Screen Time

A unique approach to talking about our relationship to technology and how it affects our relationship with God and our neighbor. It's about more than just screen time. It's about wisdom, rest, and relationships.

MUD WRESTLING FOR MISSIONS

I WILL MUD WRESTLE ANY ANIMAL
NATIVE TO THE COUNTRY WHERE
YOUR MISSIONARY IS SERVING.
NO BATS OR SNAKES.

COMEDY

Embarrassing true stories,
memorable crowd interactions,
zero impressions.

Banquet

When everyone is at tables and
dinner is half the show

Suggested time: 20-40 min

Comedy Night

When the night is just for comedy.
Show always ends with a message.

Suggested time: 45-60 min

The Gospel in Pictures

Add something fun to a Sunday
service. Armed with his remote and
over 100 slides, Taylor gives a very
silly visual presentation of the
gospel, both hilarious and
informative.

Suggested time: 10-15 min

TOGETHER SERVICE

A shortened Sunday morning where everyone is TOGETHER.

After a few songs from the worship team, Taylor and his media take over for a fun, imaginative service that speaks to (and keeps the attention of) kids, youth, and adults.

It's a chance to give the kids ministry a week to breathe, laugh, and worship with everyone. It's a chance to remember that the body of Christ includes the WHOLE church. It's a chance to grow closer through having fun.

DRAMA AT CHURCH

How can the world of theater help us better understand our theology?

A creative and entertaining approach to engaging with doctrine.

Inspired by Kevin Vanhoozer's creative systematic theology, *Faith Speaking Understanding: Performing the Drama of Doctrine*, Taylor uses the world of theater and film to illustrate God's dramatic story in the world and what it means for us to "become the part" and be like Christ.

1-3 sessions

Topics include: sin, grace, the trinity, our identity in Christ, the ministry of the church.
